Memorial Park Work Project Outlined Here

Outdoor Pageant Spot May Be Provided By SERA Labor

A new work program that will continue the transformation of San Mateo county's Memorial Park from a virgin forest to a recreational park will go into effect soon if plans of the county recreation commission adopted Tuesday at their meeting here materialize.

Following approval of the program by County Executive Walter Kellogg, the commission decided to recommend to the state labor camp department a project which will embody fencing of the main highway running through the park; fencing of local roads in the park; obtaining of materials for and constructing an amphitheater for outdoor pageants and concerts, and clearing of sites for recreation and administration buildings and for public use.

SERA FINANCING

All of this work will be done by SERA labor, costing the county nothing. Materials for the fences and amphitheater will be secured by the laborers from timber in the park.

The bathhouse, built by state laborers, has now been completed and will be ready for use next summer. The control house at the gate is also complete, and work is going forward on the entrance plaza.

The commissioners at their meeting turned down a request of Hare, Brewer & Clark, Palo Alto real estate firm, to cut a section off the road which parallels San Francisquito creek in the southern section of the county. The realtors desired to use the creek site for building purposes.

Purchase of a site for an athletic field in the northern part of the county near the South San Francisco City Park was considered, but action deferred.

TREE PLANTING DEBATED

Planting of trees along three miles of Junipero Serra boulevard from the Colma city limits to El Camino Real was discussed by the commissioners, who decided to contact state officials to see if the trees could be secured from the state. It was also decided to see if the state would maintain them if they should be planted as an SERA project.

Members of the commission at the meeting were Herbert Harris, E. A. Rolison, Earl Wilsey, Felix Bartis, Hugh Pomeroy and Ronald Campbell.

The county recreation commission, the county planning commission and County Executive Walter Kellogg will be taken on an inspection trip over San Mateo county Friday morning in an oil company plane, it was announced today.

The plane, a six-passenger cabin tri-motored ship, will probably make three trips to take county officials, using Mills Field as a base.

SCOTT, ANDERSON, BELL TELL PLANS

Retiring D.A. Opening Own Office; Latter Form Partnership

Announcement of the plans of District Attorney Edmund Scott and his deputies, Richard O. Bell and Harold F. Anderson, when they retire from office January 7, was made today by the three lawyers.

Voluntarily retiring because of new charter provisions which prohibit a district attorney from participating in an outside practice, Scott will enter the private practice of law, while Bell and Anderson will form a partnership, also to practice law. The three will occupy the same suite of offices in the San Mateo County Building and Loan Building at 2022 Broadway, but the business of Bell and Anderson and that of Scott will be entirely separate.

Scott, who was appointed to his position in September, 1931, upon the naming of Franklin Swart, then district attorney, as superior court judge, is a graduate of the University of San Francisco law school. Following a year of private practice in San Francisco, he came to Redwood City as deputy under Swart in 1924. At that time the office had but one deputy, and Scott gained considerable and varied experience in his position.

Bell, a graduate of the University of California law school at Berkeley, has been in the district attorney's office since 1927, serving four years as deputy under Swart. For the past three years he has been chief deputy under Scott. A member of a pioneer family, Bell was born and raised in this county.

Anderson, president-elect of the local Exchange Club, is a graduate of the San Francisco Law School. He has been deputy in Scott's office since 1931, but before that time practiced law in San Francisco. His experience also includes work in the legal department of the Title Insurance and Guaranty Company and the Western Title Insurance Company. He was vice president of both of these San Francisco firms before coming here. He has been a resident of this county since he was three years of age.

WITTE RE-ELECTED REALTY PRESIDENT

Stafford and Hosmer Also Are Returned To Old Posts

Henry Witte, president of the Redwood City District Real Estate Board, today looked forward to a new term in the same capacity following his re-election Tuesday at a luncheon meeting in the Fox Shoppe. Daniel R. Stafford, vice-president, and Merritt R. Hosmer, San Carlos, secretary-treasurer, were re-elected as well.

Webb Opinion Rules District Can Alter Suit

Right of Way Survey To Determine Route Expected Next

Directors of the Ocean Shore highway district were conceded the right to undertake new court proceedings for condemnation of the proposed coast road right-of-way in a decision handed down today by the office of Attorney General U. S. Webb in San Francisco.

The opinion, signed by Neil Cunningham, deputy attorney general, did not give the State of California the right to undertake the proceedings, however, upholding District Attorney Edmund Scott on this point. The state was held to be a privy of the highway district and therefore without greater power.

It held, however, that the district directors, by calling for certain eliminations of property and directing their action against new defendants who had obtained title to the property, could bring a new proceeding in the San Mateo county superior court.

FEW CASES TRIED

Just far how the directors would get in the courts in the new proceeding is admittedly debatable, Cunningham informed Scott, declaring "there is a paucity of adjudicated cases in California upon the identical facts presented."

"Our courts have declared that the plaintiff in a condemnation suit cannot, in effect, grant himself a new trial by the simple expedient of abandoning the proceeding after final judgment and then commencing another proceeding to condemn the same property," Cunningham said.

This, it was held, was what the district directors were attempting to do in refusing to pay the price of $112,000 fixed by the courts for the 5½-mile Pedro Mountain right-of-way. Because of this contention, the directors sought to have the state institute the proceedings.

Henry Heidelberg, San Francisco attorney for the tri-county district, in supporting his contentions that the state could bring new proceedings, said that one point upon which these would be based is the proposed elimination of the former railway tunnel at Pedro Point, which railroad officials value at $50,000, and which the highway cannot use.

COURT TO DECIDE

"Only the court knew the value which had been placed upon the tunnel itself," Cunningham ruled, and he held that only the court could decide what value the right-of-way would have if this elimination is granted.

The ruling holds it to be doubtful "if the successor in interest in the property (two defendants awarded judgment in the first trial are now no longer owners of the property) could claim as such successor that the former proceeding was 'res adjudicata' (finally settled) as to him."

"As successor in title he is not entitled to receive any compensation awarded in the proceeding referred to for that proceeding was abandoned and the right to compensation was lost," Cunningham ruled.

Selah Chamberlain, Woodside capitalist, is at the present owner of the right-of-way desired, it is reported.

If the directors decide to undertake the new proceedings, an early survey by the state to cost $9000 and to be borne by the three counties of San Francisco, San Mateo and Santa Cruz will be undertaken to determine the exact property desired.

Funds are available for the start of part of the work as soon as it is determined that the courts will entertain the new proceeding.

First proceedings were instituted in 1930 but the district refused to pay $112,000 fixed as the price for the five-mile stretch by Superior Judge Maurice T. Dooling Jr., of Hollister, sitting here.

Griffin Tells Legion Auxiliary of Russia

Frank Griffin, boys' athletic director at Sequoia high school, spoke at a recent meeting of the San Mateo County Council of the American Legion Auxiliary in Burlingame Legion Hall. Griffin told of his recent trip to Russia.

Among other speakers was Richard Crane of Daly City, commander of the Legion San Mateo County Council, who told of plans for the New Year dance to be held in Belmont Legion Hall.

SEWAGE WORK SET

SAN MATEO, Dec. 19.—Work on the $150,000 city sewage treatment plant here will begin about May 1, City Manager E. P. Wilsey announced today.

COUNCIL TO MAKE POLL OF CITY WATER DESIRES

Water users of Redwood City will be given an early opportunity in a post card ballot to decide exactly the type of water they desire, the city council determined Monday night, after several months of study of Hetch Hetchy and other proposals.

Complaints against the present hardness of the Redwood City well water have resulted in negotiations with San Francisco officials, with efforts centered on getting water delivered here at the same price sold to San Francisco consumers.

Some of the advantages of a better supply are listed as improvement in taste, saving of soap and a decrease in repair costs of plumbing and heating appliances. It will also be more beneficial for the irrigation of lawns.

Disadvantages are that the price to be paid must necessarily be increased in proportion to the quality of water demanded.

PROPOSITIONS LISTED

Three propositions will be put to the Redwood City consumers.

Proposition No. 1 contemplates the purchase of the total needs of Redwood City from Hetch Hetchy, which would, the council points out, "provide an adequate supply of excellent quality."

This proposal, however, would call for an increase in present rates ranging from 50 per cent to 100 per cent higher than now charged, City Manager Ernest Rolison informed the council. The higher percentage of increase would fall on the smaller consumer.

Proposition No. 2 contemplates the purchase of one-half of the present needs from Hetch Hetchy. This would be mixed in the city's reservoirs with an equal amount of local well water, "which it is estimated would decrease the present hardness by approximately one-half," Rolison reported.

The city manager believes this mixture would produce a quality of water "which it is thought should be quite satisfactory at least until such time as San Francisco makes further reductions in water rate to enable Redwood City to increase the proportion of Hetch Hetchy until we ultimately can afford to take 100 per cent of this mountain water."

Rolison points out that this plan would provide a uniform supply of water throughout the city of approximately a 50 per cent better quality and at an increase of present rates of only approximately 25 per cent.

Proposition No. 3 contemplates the continuation of the local supply from wells at present rates, the same to be augmented with the purchase of Hetch Hetchy water only if and when a shortage exists during summer periods.

COSTS COMPARED

"This proposition, however," the manager declares, "is submitted only in a desire to permit an expression of every possible viewpoint due to the fact that it is generally conceded that an improved quality of water is desirable even though it entails a somewhat higher rate."

For the purpose of a more detailed explanation of the effect of rate increases under the various plans proposed, the following table showing the monthly charges for various quantities consumed under the three proposed propositions is submitted:

Consumption cubic feet per month	Propositions— No. 1	No. 2	No. 3
500	$2.22	$1.30	$1.10
1000	3.66	2.60	2.20
2000	6.54	5.20	4.40
4000	12.05	10.20	8.80

All above prices subject to 10 per cent discount when paid on or before the 15th of the following month.

SULLIVAN AND DEMATTEIS NAMED FERRELL DEPUTIES

Two well-known Redwood City attorneys—Daniel E. Sullivan and Louis B. Dematteis—today were named deputies in the office of District Attorney-elect Gilbert Ferrell.

Sullivan, city judge of Menlo Park and resident of that city, will be chief deputy to Ferrell when the latter takes office on January 7.

Dematteis, who lives here, will be the second assistant.

The two new deputies succeed Richard O. Bell and Harold F. Anderson. They will retire from office on January 7 when the term of Edmund Scott, present district attorney, expires. Scott did not seek re-election and will enter private law practice.

Sullivan was graduated from Notre Dame University, South Bend, Ind., with the class of 1914. He next attended Boston University and secured the degree of master of law.

For the next two years he taught oral English and philosophy at Notre Dame and left to enter the army in 1918. He left the service with the rank of captain.

Sullivan's next connection was at Ogden, Utah, where the governor appointed him judge of the juvenile court for a term of two years. In 1924, he came to Santa Clara University, where he taught oral English.

Recently he has been part-time instructor at St. Patrick's Seminary in Menlo Park and at Notre Dame College in Belmont. He is also police judge at Menlo Park.

Sullivan has maintained law offices here in the Sequoia building.

GAINED DISTINCTION

Dematteis, who is 23, is a graduate of Sequoia Union High School; Lincoln University, San Francisco, and the University of San Francisco (St. Ignatius).

He was one of the youngest men admitted to the state bar, completing the studies before he had attained age and taking the examination nine days after becoming 21. He has practiced law here for the past two years.

$1,873 NETTED BY LIQUOR HERE

Distribution of Funds Made By State to Various Cities

Liquor license fees collected by the state returned $1,857.90 to Redwood City during the period December 5, 1933, ot October 31, 1934, it was revealed today in a report received here by City Treasurer B. E. Myers from the state board of equalization.

Accompanying the report was a check for $15.92, representing the balance of the payment, $1873.82 having been received by the city last April.

Menlo Park's total for the period was $1238.73; San Carlos received $305.79, while all the cities in San Mateo county received $15,234.67 during the period.

For the entire state, a total of $2,032,859.74 was collected, the report showed. Of this, $601,629.58 was withheld for expenses, leaving a "profit" of $1,431,230.16 for distribution, 60 per cent of which is returned to cities from which the fees are collected, and 40 per cent going into the state's general fund.

The total fees collected from liquor dealers, according to the report, were: Redwood City, $4435.83; Menlo Park, $2932.39; San Carlos, $723.88; entire county, $36,064.48.

Drought may force the abandonment of many tea plantations in Ceylon.

CARMEL IN HUNT FOR RICH WOMAN

Fear Is Held Matron May Have Walked Into Ocean

CARMEL, Dec. 19 (IP)—With police dogs and expert trackers, sheriff's posses searched the Woodlands along the sea coast today for Mrs. Eliot Boke Schaffner, prominent Carmel and Chicago resident missing from her home here.

Her husband, Joseph H. Schaffner, is vice president and treasurer of the Hart Schaffner & Marx firm, nationally known clothing manufacturers.

FLIMSILY CLAD

She wore a fur coat over a flimsy nightdress and had a pair of bedroom slippers on her feet, a maid said.

Failing in a private search, the household appealed to sheriff Carl Abbott of Monterey county.

He obtained the trained police dogs of the Berkeley Police Department and enlisted Boy Scouts, Legionnaires and others to assist.

NO TRACE FOUND

Hours after the posses started there was no trace of the woman who recently had returned from Monterey Hospital, where she had been treated for nervous disorders.

Her husband is reported en route by airplane. A sister, Mrs. Marion Todd of San Francisco, also is expected at the home.

JANUARY 9 DATE OF C. C. BANQUET

Service Clubs to Join In Annual Dinner At High School

January 9 has been set as the date for the annual Redwood City Chamber of Commerce-service club banquet, it was announced today by Duncan Reynard, chairman of the committee which has been appointed by Edward T. Harrison, president of the chamber, to make arrangements for the affair.

The complete committee is composed of Reynard, A. C. Argo and George McQueen, representing the chamber of commerce; A. S. Ligouri of the Kiwanis club; Louis B. Dematteis, Yomecan club; Al Robertson, Exchange club, and Perry A. Bygdnes, Lions club.

The banquet will be held in the Sequoia high school cafeteria. Tickets, which will go on sale shortly after Christmas, will be 75 cents each.

While program details of the gathering, which will precede the annual chamber drive for memberships, have not as yet been worked out, it is hoped to have an outstanding man as speaker of the evening, Reynard said. The best entertainment ever had at a similar banquet will be secured also, if present tentative plans of the committee materialize, according to Reynard.

CHANGE OF NAME CALLED CITY NEED

Tree Planting Is Urged To Beautify Town's Entrances

Planting of trees and flowers at the northern and southern approaches to Redwood City and the "turning of the unsightly space opposite the Southern Pacific station into a park or a playground," are proposals suggested today for Redwood City.

"Let us not think of the commercial advantages of improvements in our city," writes the contributor. "Those will come in time. Beauty, graciousness and making obvious, without obtrusiveness, our wonderful climate, will attract the best to us."

This contributor also suggests that the city acquire "soft water," and "last, and least likely to win the approval of the older citizens, change the name of our city. We are not a city. I would suggest the name of Wellesley. It is not original, but so much the better."

Witnesses Tell Of Plane Crash

BURLINGAME, Dec. 19.—Witnesses at the coroner's inquest held here today into the deaths of Lieut. William C. Reeves and Sergt. Noel A. Peterson, who were killed Sunday when their army airplane crashed on the Bayshore highway here, said the fliers were apparently looking for a place to land when they fell to their deaths.

Joseph Aliamus told the coroner's jury that he believed, since the plane's motor was apparently working all right, that the fliers came down through the fog, saw they were near the highway, and attempted to gain altitude but struck nearby trees before they were able to do so.

Mrs. George W. Nunn told of hearing the plane and rushing out in time to see it just miss her house.

An official board of inquiry composed of Capt. G. O. McNeil, Capt. R. E. Elvins, Lieut. R. E. Laird and Lieut. George MacIntyre, leader of the flight on Sunday, yesterday conducted an investigation, a report of which was given to the jury today.

Coroner J. C. McGovern conducted the inquest, which resulted in the jury's verdict that the fliers died of skull fractures.

Many in Attendance At Firemen's Party

The civic auditorium at San Carlos was crowded to its capacity, with standing room even at a premium, when the San Carlos Fire Department presented its seventh annual Christmas festival Tuesday night. Fire Chief Edward J. Wheeler presided as master of ceremonies, and announced the sixteen varied numbers arranged by Captain Martin J. Cahill, program chairman.

An amusing feature was Chief Wheeler's first appearance before a "mike." He amused the children and adults with his many humorous remarks.

At the conclusion of the program, Santa Claus distributed a big red apple, stocking of candy and a gift to each child.

'Best Dressed' Crown Is Hers

America's best-dressed woman is looking at you here, upon her return to New York City from Paris, where couturiers have fallen into the habit of awarding her that crown. Mrs. Harrison Williams declares it costs her at least $20,000 annually in wardrobe bills to annex the coveted title.

Yuletide Party Cheers Inmates Of County Home

Inmates of the San Mateo County Relief Home were entertained Sunday afternoon with a religious and musical program by Plymouth Guild of the Redwood City Congregational Church of which Mrs. Charles V. Huyck is president.

Rev. Norman Pendleton, pastor, delivered a short message of Christmas cheer.

Cliff Woodhams, orchestra leader, with Sanford Dole, John Argo, John and Kenneth Diehl, William Woodhams, Cliff Woodhams Jr., Phyllis Pennebaker and Jane Duncan furnished the musical program including a violin solo of Christmas medleys by Wilma Pfafflin.

Girl Scouts Judy Moore, Doreen Gill, Patricia Cossitt, Subanne Ransome, Helen Cutting and Estelle Barusch sang their scout and Christmas songs and distributed gifts to the inmates, John Layng of Redwood City, impersonating Santa Claus and accompanying the gifts to the inmates; John Layng of good cheer and a handshake to each of the inmates.

Christmas carols by the entire guild accompanied by the inmates formed a pleasing part of the program.

COUNCIL CLOSES UTILITY LOOPHOLE

Proceeds By Ordinance In Seeking Value Of System

Tightening up any possible legal loopholes which would defeat public ownership of the electrical distribution system, the city council Monday voted to proceed by ordinance rather than by resolution in seeking to have a value fixed on the local power lines of the Pacific Gas and Electric Company as a step toward eventual acquisition.

The change in procedure, which involved a technicality, was recommended to the council by the state railroad commission.

As on previous votes on the question, Mayor Charles Lambert and Councilmen Paul McCarthy, George McNulty and Robert Jones voter for the evolution study, while Councilman James Eva, Evans Fletcher and Louis Christensen opposed it.

The present move of the council deals only with the setting of a value on the power system. Actual acquisition may not go before the public for six months to a year.

BONDS OFFERED TO CITY

An offer to sell additional 1915 street improvement bonds for 70 cents on the $1 was made by Hall, Marquardt & Co., Los Angeles, to the council Monday. City Treasurer B. E. Myers was instructed to offer 60% for the $9000 issue.

DRINKHOUSE SEEKS THIRD OF ESTATE

Atherton Uncle Held Under Influence Of His Sisters

Asking that he be given a third of the $360,000 estate of John Arthur Drinkhouse, who died May 10, in Atherton, Frederick Roy Drinkhouse of San Francisco, candidate for the state board of equalization at the last election, today petitioned superior court here to revoke probate of the will of the elder Drinkhouse which was admitted June 25.

Drinkhouse, son of a dead brother of the deceased, maintains in his suit that his uncle was not of sound mind and memory when he drew his will April 17, 1930 and codicils to the will in 1933; that the will was not executed according to form prescribed by law because witnesses to the will didn't sign it, and that the will was executed through undue influence on the part of Marie L. Wilcox and Hilda R. Rossi, sisters who were the main beneficiaries in the will. The plaintiff in the action who was left only $2000 in the will, also says he was not allowed to visit his uncle during the latter part of the elder man's life.

Minor beneficiaries in the will are listed in the petition as Marie Louise Phillips, daughter of Marie Willcox; John F. Willcox, son of Marie Willcox; Marita R. Jennings, daughter of Hilda Rossi; George M. Willcox, husband of Marie Willcox; G. Elmer Jennings, husband of Martha Jennings; Elizabeth Willcox; John David Willcox; Hugh L. Phillips, husband of Marie Louise Phillips; Marie Elizabeth Willcox and Mary Elizabeth Willcox.

W. P. Caubu and Thomas T. Califro, both of San Francisco, are attorneys for the plaintiff.

OFFICER INJURED CHASING SPEEDER

Grunig's Motorcycle Collides With Auto Making Left Turn

BURLINGAME, Dec. 18.—Burlingame's drive on speeders resulted this morning in serious injury to Police Officer Richard Grunig, when he crashed into a car ahead of him while attempting to overtake a speeder.

Today's drive was centered on California avenue here. The officer, on his motorcycle, gave chase to a speeding car. Between the car he was chasing and the officer was a machine driven by Mario Silva of San Mateo. At Oak Grove avenue, according to police, Silva made a sudden turn to the left. The officer's motorcycle crashed into the motorist.

At Mills Memorial Hospital where he was taken it was said he was suffering from a fractured shoulder and a possible fractured leg.

Silva was cited for reckless driving.

Girl Driver Blamed For Accident Here

Mrs. Beatrice Kelly, 59, who was killed here December 1 when she was hit by a car driven by Miss Madeline Fretz, came to her death from injuries consisting of a "fractured skull and shock" and the car which struck Mrs. Kelly was "driven in a careless and reckless" manner, a coroner's jury decided here Tuesday.

John Preston of Palo Alto, aviator and former Stanford football player who was riding with Miss Fretz at the time of the accident, told the jury they were traveling less than 35 miles an hour. Miss Fretz, who is from Mountain View, did not testify.

Mrs. Jean Kelly, daughter-in-law of Mrs. Kelly, testified, however, that the Fretz machine was going at a "pretty speed."

The inquest was conducted by Coroner J. C. McGovern.

Whether any charges will be preferred against Miss Fretz was not known today. No complaint has as yet been filed, according to Deputy District Attorney Harold F. Anderson, who said no disposition of the case had as yet been made.

$23,000 Legal Fees Sought in Suit Here

Legal fees of $23,000 are asked by Joseph R. Murphy from the Peninsula Paving Company in a suit filed in superior court here today. The amount was originally due Morgan J. Doyle, according to the complaint, but he has assigned his claim to Murphy. Doyle, however, is acting as attorney for Murphy in the suit.

OLD GOLD and SILVER
SHOP AROUND

Go to any other dealer in San Mateo, Burlingame, or San Francisco — then Bring Your Old Gold and Silver to Us.

THE JEWELRY you long ago discarded can be converted into a gratifying sum of money since the government advanced the price of pure gold from $20.67 to $35 an ounce. BUT—BE SURE TO GET AS MUCH FOR YOUR OLD GOLD AND SILVER AS IT IS WORTH.

The discarded rings, watch cases, chains, cuff links, dental gold (discarded bridges, crowns, etc.) and a score of other articles contain, when melted, a surprising amount of pure gold.

We paid $19.07 for a lot of gold and silver for which another dealer paid $10, but the smart little woman surmised that she didn't get full value and demanded the return of her articles.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

OTIS O. HINES, Plaintiff, vs. AMY D. HINES, Defendant.

The People of the State of California Sent Greetings to:

AMY D. HINES, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 10th day of November, A. D. 1934.

E. B. HINMAN, Clerk.
By AMY R. HOLMES, Deputy Clerk.

(SEAL)
HAROLD D. DURST,
Redwood City, Calif.,
Attorney for Plaintiff.

Sleeping persons are hardest to arouse, by noise, when they've been asleep an hour. Before and after that time, less noise will awaken them.

Byron E. Adams, 76, Passes Away

Byron E. Adams, 76, employe of the Nipa Hut near here who lived at 53 Northumberland street in the Dumbarton Oaks tract, died Saturday evening at a San Mateo hospital following a period of ill health. He had resided here for the past 11 years.

Besides his widow, Mrs. Carrie B. Adams, he is survived by five daughters, Mrs. Fred Schmitz and Ellen Adams of Redwood City, Mrs. James Linn of San Francisco, Mrs. Ruby Beauzy and Mrs. Charles Keck, both of Los Angeles, and three sons, Leslie, Ellis and Raymond, all of Illinois. Two brothers, 25 grandchildren and three great grandchildren also survive.

Two Half Moon Bay Residents Seek Post

John Nelson Pitcher, 24, and Harvey R. Hatch, 21, both members of well-known Half Moon Bay families, today filed applications with the board of supervisors for appointment to the county traffic patrol.

C. G. Gerber, Burlingame, notified the board he had applied for the position of county building inspector.

More than 17,450 marriage licenses were issued in New York City during the first seven months of 1934 as compared with 14,921 for the same period of the preceding year.

Few Illness Cases Reported in County

San Mateo county's sick rate for the week ending December 15 was low, with few new cases reported, Dr. Harper Peddicord, county health officer, announced today.

Redwood City had one case of scarlet fever; San Mateo had six cases of chicken pox; Burlingame had two, and Belmont, one.

The number of cases of tuberculosis registered in Moscow, during the six years ending in 1933 decreased fourfold.

One bank is cut away more rapidly than the other by rivers that flow north and south, due to the earth's rotation.

Redwood City 30 Years Ago

Miss Ella Johnson, after an absence of over two years in New Mexico, returned home to Redwood City last week.

W. J. Dingee has had an electric arc light put in front of his residence, on the corner of A street and the county road. The light is a great convenience for those who live in that neighborhood.

C. Peterson is having a cement sidewalk laid in front of his Main street property. The work is being done by Clark Rice and will add greatly to its appearance. Mr. Peterson is one of Redwood's most prosperous business men and believes in keeping everything up to date.

On returning from Half Moon Bay Sunday evening, where they had gone the day before, Claude McCusker, Arthur Dodge and Paul Mackay were run into in Belmont by a team going in the opposite direction. None were hurt by the collision, but because of the damage done to their rig the Redwood boys were obliged to walk the rest of the way home, leading their horse.

The freshman Debating Society at Stanford University has been selected. Among the successful contestants is Gerald C. Halsey of Woodside, who graduated last May from the Sequoia High School of this city. Young Halsey is a talented debater and won many contests for old Sequoia. His debate at the try-outs at Stanford last Friday night was the best, as was evidenced by the decision of the judges, who gave him first place on the team.

Hull Bros. will formally open their hardware store next Monday, though they have been making good sales all week.

The great auk, now extinct, was as large as a goose, stood two feet tall and could not fly.

YOUTHS RESCUED FROM RAFT

SAN MATEO, Dec. 18.—Firemen here were called out yesterday afternoon to rescue Theodore Sheehan, 11, and Earl McCallum, 12, both of San Mateo, when the pair became marooned on a raft in the mud flats near San Mateo.

CALL FOR TAXES MADE

Call upon the city to pay $300 as its share of taxes on property held by H. A. Beeger as trustee for F. K. Towne creditors was made upon the council last Monday. The city agreed to pay its pro rata if other creditors do likewise.

A DOG'S LIFE — by Doc Adams

Don't continue in the mistaken idea that any food is good enough for the dog. Your dog needs a balanced diet of fresh, pure food, scientifically prepared to meet the requirements of domestication.

Here's Scotty Allan's famous formula, developed after 50 years experience in raising and conditioning dogs:

Whole Fresh Beef, Whole Fresh Mutton, Finely Crushed Fresh Green Bone, Selected Beef and Mutton Products, Fresh Vegetables, Crushed Wheat, Natural Fats and Oil.

Feed your dog for 30 days on this new, balanced dog food. Start today. You'll thank Scotty Allan for a healthier, livelier dog.

All dealers have it or can get it for you quickly

S-h-h-h it's a Big Secret

"I guess a man knows bargain value when he sees it. This ½ Off on EXTRA Electricity makes any electrical appliance a wow of a bargain. These swell looking gifts I bought are going to operate for a whole year at HALF COST."

1/2 OFF on EXTRA electricity means — That the amount of money by which your bill for any one month at same location exceeds your bill for the corresponding month a year back will be discounted 50%.

Here is how cheaply electric appliances work for you on ½ Off EXTRA Electricity:

WAFFLE IRON . . 10 waffles for 1¢
PERCOLATOR, 120 cups coffee for 1¢
SANDWICH GRILL, 45 (toasted) sandwiches for 1¢
WASHER . 12 hours per month for 7¢
IRONER . . *1 month ironing for 35¢
VACUUM . *1 month cleaning for 10¢
REFRIGERATOR, *1 month for 80¢
*Based on average family use per month.

Act Now to make sure you get a year of EXTRA service from electricity at HALF COST.
